And this is further to certify that the amount of the capital of the Company, which shall be duly subscribed for carrying on its undertaking, is hereby fixed at the sum of twenty-five thousand dollars (\$25,000) before it exercises the powers conferred by the "Water Clauses Consolidation Act, 1897," and amendment Acts, and such capital shall be subscribed and twenty-five (25) per cent. thereof actually paid up within three months from the date hereof, and the time within which the undertaking and works are to be commenced and completed are one month and two years, respectively, from the date hereof.

And, subject as aforesaid, such application is hereby approved.

Dated this 16th day of March, 1909.

DESPATCH.

DOMINIONS CIRCULAR.

DOWNING STREET, 10th September, 1909.

SIR,—I have the honour to request you to inform your Ministers that His Majesty the King has been pleased to institute a Medal styled "The King's Police Medal," to be awarded to members of the Constabulary Forces and Fire Brigades throughout His Majesty's Dominions and in Territories under His Protection or Jurisdiction, in recognition of special and exceptional service, heroism, or devotion to duty.

2. I enclose a copy of the Royal Warrant instituting the Medal and of the Regulations governing its award.

3. Members of all recognised Police Forces and members of all regularly organised Fire Brigades will be eligible provided that the services for which they are recommended satisfy the conditions of the regulations, which are as follows:—

(a.) Conspicuous gallantry in saving life and property, or in preventing crime or arresting criminals; the risks incurred to be estimated with due regard to the obligations and duties of the officer concerned;

(b.) A specially distinguished record in administrative or detective service;

(c.) Success in organising Police Forces or Fire Brigades or Departments, or in maintaining their organisation under special difficulties;

(d.) Special services in dealing with serious or widespread outbreaks of crime or public disorder, or of fire;

(e.) Valuable political and secret services;

(f.) Special services to Royalty and Heads of States;

(g.) Prolonged service; but only when distinguished by very exceptional ability and merit.

4. It will be observed that the number of Medals to be awarded for service in His Majesty's Dominions beyond the Seas is not to exceed thirty in any one year.

5. There will be an annual award of this Medal, and any recommendations which your Ministers may wish to make should reach this office by the 30th September in each year.

6. It is essential that every recommendation should specify the particular act of gallantry or special service, or record of service, in respect of which the candidate is recommended. Sufficient details should be given to enable a judgment of the case to be formed in comparison with others, and it should be borne in mind that mere long service in itself gives no claim to the Medal.

I have, &c.,

CREWE.

The Officer Administering
the Government of

THE KING'S POLICE MEDAL.

The KING has been pleased to issue a Warrant under His Majesty's Royal Sign Manual to the following effect:—

EDWARD, R. & I.

EDWARD THE SEVENTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, to all to whom these Presents shall come: Greeting!

Whereas We have taken into Our Royal consideration the good services which are rendered by officers of the Constabulary Forces and by persons serving in Fire Brigades within Our Dominions and in Territories under Our Protection or Jurisdiction, and the heroic acts of courage and instances of conspicuous devotion to duty of such persons which are from time to time brought to Our notice:

And whereas We are desirous of distinguishing such meritorious conduct by some mark of Our Royal favour:

We do by these Presents for Us, Our Heirs and Successors, institute and create a new Medal to be awarded for such acts of courage and conspicuous devotion to duty.

Firstly.—It is ordained that the Medal shall be designated and styled "The King's Police Medal."

Secondly.—It is ordained that the King's Police Medal shall consist of a circular Medal of Silver with Our Effigy on the obverse, and on the reverse a design emblematic of Protection from danger, and shall bear on the rim the name of the person to whom the Medal is awarded.

Thirdly.—It is ordained that the Medal shall only be awarded to those of Our Faithful Subjects and others who, being members of a recognised Police Force or of a properly organised Fire Brigade within Our Dominions or in Territories under Our Protection or Jurisdiction, have performed acts of exceptional courage and skill or have exhibited conspicuous devotion to duty; and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department.

Fourthly.—It is ordained that the names of those upon whom We may be pleased to confer this Decoration shall be published in the London Gazette, and that a Register thereof shall be kept in the Office of Our Principal Secretary of State for the Home Department.

Such Register shall show the name and rank of the person holding the Medal, the Police Force or Fire Brigade of which he is or was a member, and particulars of the action for which the Medal has been awarded.

Fifthly.—It is ordained that each Medal shall be suspended from the left breast, and the riband, of an inch and three-eighths in width, shall be dark blue with a narrow silver stripe on either side.

Sixthly.—It is ordained that any act of gallantry which is worthy of recognition by the award of the King's Police Medal, but is performed by one upon whom the Decoration has already been conferred, may, on a recommendation to Us by Our Principal Secretary of State for the Home Department, be recorded by a Bar attached to the riband by which the Medal is suspended; and for every such additional act an additional Bar may be added.

Seventhly.—In order to make such provision as shall effectually preserve pure this honourable Decoration, it is ordained that if any person on whom the Decoration is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, this Medal shall, by an especial Warrant under Our Royal Sign Manual, be forfeited, and his name shall be forthwith erased from the Register of those upon whom the said Decoration shall have been conferred. And every person to whom the said Medal is given shall before receiving the same enter into an agreement to return the same, if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstances demanding such forfeiture.

Given at Our Court at *Saint James's*, the seventh day of July, one thousand nine hundred and nine, in the ninth year of Our Reign.

By His Majesty's Command.

H. J. GLADSTONE.

The following Regulations shall be observed in recommending His Majesty to grant the King's Police Medal:—

1. A list of the names of officers of recognised Police Forces, or of properly constituted Fire Brigades, who are recommended for the Medal, shall be submitted once in each year to His Majesty by the Secretary of State for the Home Department:

Provided that a recommendation may be made at any time when His Majesty so commands.

2. A list of officers recommended by the Secretary of State for the Colonies and the Secretary of State for India shall be forwarded to the Home Office in the month of October in each year.

3. Each list shall contain the name and rank of each person recommended, the Police Force or Fire Brigade of which he is or was a member, and particulars of the action or service for which the grant of the Medal is recommended.

4. The number of Medals awarded in any one year shall not exceed one hundred and twenty, of which at the most forty shall be awarded for service in the United Kingdom of Great Britain and Ireland, the Channel Islands, and the Isle of Man, thirty for service in His Majesty's Dominions beyond the Seas, and fifty for service in the Empire of India.

5. In very special circumstances, which, in His Majesty's opinion, would justify an exceptional grant, His Majesty may award Medals exceeding the above number.

6. The qualifications for the grant of the Medal shall be as follows:—

(a.) Conspicuous gallantry in saving life and property, or in preventing crime or arresting criminals; the risks incurred to be estimated with due regard to the obligations and duties of the officer concerned:

(b.) A specially distinguished record in administrative or detective service:

(c.) Success in organising Police Forces or Fire Brigades or Departments, or in maintaining their organisation under special difficulties:

(d.) Special services in dealing with serious or widespread outbreaks of crime or public disorder, or of fire:

(e.) Valuable political and secret services:

(f.) Special services to Royalty and Heads of States:

(g.) Prolonged service; but only when distinguished by very exceptional ability and merit.

DOMINION ORDERS IN COUNCIL.

[313]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 22nd day of February, 1910.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

HIS Excellency in Council is pleased to order that the Regulations established by the Order in Council of the 17th January, 1910, for the issue of permits to remove sand, stone, and gravel, the property of the Crown, from the submerged beds of rivers and lakes in Manitoba, Saskatchewan, Alberta, and the North-West Territories, and within the railway belt in the Province of British Columbia, shall be and the same are hereby amended as follows:—

1. The word "submerged" shall be struck out from the said regulations wherever it occurs.

2. Section 5 of the said regulations is rescinded and the following substituted therefor:—

5. The right granted under the permit shall apply only to the bars in or the bed of the river or lake itself below the ordinary high-water level, and shall not authorise the permittee to remove sand, stone or gravel from, or otherwise interfere with or affect in any way the security of the banks of the river or lake, or of any structures erected in the said river or lake, and the permit shall be subject to immediate cancellation in the discretion of the Minister in case it is shown that the operations of the permittee in the removal of the sand, stone or gravel are likely to affect the banks of the said river or lake, or to endanger in any way the security thereof.

RODOLPHE BOUDREAU,

mh17

Clerk of the Privy Council.

[223.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 7th day of February, 1910.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

THE Minister of the Interior states, under date 27th January, 1910,—with reference to the Order in Council dated 9th September, 1909, cancelling an Order in Council dated 31st May, 1902, which latter Order authorised the issue of a patent for a certain tract of land comprising about 18,000 acres surrounding Coquitlam Lake and River, in the Railway Belt of British Columbia, in favour of the City Council of New Westminster, upon receipt by the Department of the Interior of the sum of (\$250) two hundred and fifty dollars, and upon the said City Council filing in the Department of the Interior, at their own expense, a plan of survey of the tract applied for approved by the Surveyor-General of the Department of the Interior,—that in the said Order in Council dated 9th September, 1909, an inaccuracy occurs in the recital in the third paragraph thereof, which reads as follows:—

"The said city has not paid the amount stated nor has it caused the said survey to be made, and no patent has been issued for any of the lands to the said City of New Westminster."

The Minister further states that at the time of this cancellation the fact of the city having paid in (\$250) two hundred and fifty dollars in anticipation of receiving a patent for these lands was overlooked, and when notification was given to the city on the 28th September last from the Department of the Interior of the said Order in Council of the 9th September, 1909, having been passed,

the said amount of (\$250) two hundred and fifty dollars was not therewith forwarded.

The Minister observes that on 13th October last the said amount of (\$250) two hundred and fifty dollars was forwarded to the City Clerk of New Westminster with an explanation as above.

The Minister, therefore, recommends that in the third paragraph of the said Order in Council of the 9th September, 1909, the words "paid the amount stated, nor has it," where they occur in the above-quoted third paragraph, be struck out, leaving the paragraph to read: "The said city has not caused the said survey to be made, and no patent has been issued for any of the lands to the said City of New Westminster."

The Committee submit the same for approval.

RODOLPHE BOUDREAU,

mh10

Clerk of the Privy Council.

[394.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 4th day of March, 1910.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS representations have been made to the Department of the Interior from time to time by the City of New Westminster and by the Vancouver Power Company in connection with a reservation of the lands comprising the catchment basin or drainage area of Coquitlam Lake, in the Railway Belt, in the Province of British Columbia:

And whereas the City of New Westminster obtains its water supply from Coquitlam Lake and has applied for a large area surrounding the lake to protect and preserve its water supply from contamination:

And whereas the Vancouver Power Company uses Coquitlam Lake for reservoir and storage purposes in connection with its water-power development on the North Arm of Burrard Inlet, and has applied for a reservation of all the lands with timber thereon draining into Coquitlam Lake in order that the rainfall may be conserved and the run-off regulated:

And whereas an engineer of the Department of the Interior, after a personal inspection, reports: "It would be to the best interest of all concerned if the Department extended the reservation of the land immediately surrounding Coquitlam Lake, applied for by the City of New Westminster, to contain all the lands within the lake's catchment basin. The rainfall is very heavy over the Coquitlam Lake District with a consequent heavy run-off. The water supply of the City of New Westminster and the increasing requirements of the Vancouver Power Company for water for power purposes renders necessary the conserving and protection of the forest cover on all land draining into Coquitlam Lake in order that the run-off may be gradual and constant. There are at present no settlers within the Coquitlam Lake drainage area, and it would be advisable if entry into this area for any purpose except that of the Power Company and the City of New Westminster be upon permission of the Minister of the Interior. No accurate survey of the height of land surrounding Coquitlam Lake has been made, but from reconnaissance and exploratory surveys by the engineers of the Vancouver Power Company the following townships will very nearly cover the watershed of Coquitlam Lake, viz.:—

"W. $\frac{1}{2}$ Fractional Township 4, Range 6, west 7th Meridian.

"W. $\frac{1}{2}$ and N.E. $\frac{1}{4}$ of Township 5, Range 6, west 7th Meridian.

"Township 6, Range 6, west 7th Meridian.

"Fractional Township 7, Range 6, west 7th Meridian.

"Sections 1, 12, 13, 24, 25, and 36 in Fractional Township 5, Range 7, west 7th Meridian."

Therefore, His Excellency in Council, in view of the report made by the Departmental Engineer, in view of the necessity for the protection of the water supply of the City of New Westminster, and in

view of the necessity for conserving and regulating the run-off of the said watershed, is pleased to order, and it is hereby ordered, that the land described above, excepting thereout the land sold and to be sold and leased to the Vancouver Power Company for the purposes of its power development, shall be reserved from all settlement and occupation, and the timber thereon shall be reserved from sale, except such sales as may be authorised by the Governor in Council; and, further, that all persons shall be prohibited from entering upon the said lands so reserved, except only such persons as are duly authorised by the Minister of the Interior in connection with the water supply of the City of New Westminster, the works of the Vancouver Power Company, or for such other purposes as the Minister of the Interior may deem necessary in the public interest.

RODOLPHE BOUDREAU,

mh31

Clerk of the Privy Council.

[393]

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Friday, the 4th day of March, 1910.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-
GENERAL IN COUNCIL.

THE Minister of the Interior, under date of the 1st March, 1910, refers to the Order in Council, dated September 9th, 1909, relating to the water-power development at Coquitlam Lake, in the Railway Belt of British Columbia, by the Vancouver Power Company, and particularly to the last paragraph of the said Order, in which approval is given of the plans of the dam and works of the proposed further development of the said Vancouver Power Company's hydraulic undertaking, but on the express understanding that nothing in the said Order contained shall warrant the said Company in claiming the granting by this Government of rights in the waters of Coquitlam Lake and River, additional to those granted by Order in Council, dated 15th April, 1902, except under Regulations which shall be similar to those now in force governing the administration of water-power in connection with the Dominion Lands in Manitoba, Saskatchewan, and Alberta, and in the issuing of a licence for the use of water to the said Company, such licence shall conform to clauses 1, 2, 3, 5, 6, 7, 8, and 10 of the said Regulations.

The Minister states that subsection "F" of clause 8 of the Regulations referred to in the said last paragraph of the Order in Council contemplates the return of the water diverted for power purposes to the stream or other source of water of the amount so diverted, but in the case of the Vancouver Power Company the works already completed by the Company divert a portion of the waters of Coquitlam Lake used for power purposes by means of a tunnel about two and one-half miles long to a smaller lake named Lake Buntzen, and from thence to the North Arm of Burrard Inlet. These works were carried out under authority of the Government of the Province of British Columbia, and authority having been also sought from this Government, such authority, by way of quit-claim without warranty of title, was given.

The Minister represents that the plans for the further development of the hydraulic undertaking of the Company, approved by the said Order in Council, require that the water used for power purposes will continue to flow into the North Arm of Burrard Inlet.

The Minister, therefore, recommends that the reference in the said last paragraph of the Order in Council to section 8 of the said Regulations shall not apply to subsection "F" of the said section 8 so far as the said subsection is inconsistent with the design of the said plans to divert the water as aforesaid.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,

mh21

Clerk of the Privy Council.

LEGISLATIVE ASSEMBLY.

PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.
